

BECOME A FONKOZE PLEDGE PARTNER

By making a monthly pledge to Fonkoze USA

Your monthly or quarterly tax-deductible donation to Fonkoze USA can make a big impact in Haiti. While \$25 or \$50 per month might not sound like much, **it certainly is!** If 3,000 people pledged \$25 a month, close to \$1 million could be raised. Fonkoze has the experience, accountability and success rate needed to put your dollars to work through successful, sustainable, and self-empowering programs in Haiti which include:

- A full offering of microcredit programs mostly for women based on Grameen-model solidarity group lending to women micro-entrepreneurs.
- A branch network of 40 branches throughout Haiti, offering financial services for the poor including a multiplicity of savings products, currency exchange services, and money transfer (remittance) services;
- Life-skills education for borrowers, developing leadership and solidarity among credit center members (including modules on basic literacy, business skills, health, human rights, and environmental protection);
- Additional innovations for clients, including micro-insurance, assistance in access to health care, social impact monitoring, and malnutrition and cholera prevention.

Fonkoze serves more than 200,000 clients in Haiti. Visit www.fonkoze.org to learn more or contact Fonkoze USA at 202-628-9033.
